# Foreword

At the beginning of the school year, we once again joined our classmates and fortified our soles for the voyage ahead, ever keeping in mind that our worthy accomplishments would remain as footprints on the sands of time. Now don our shoes, follow in our footsteps, and recall with us the scenes which made our last year memorable.

*Joseph Newell*

# *Dedication*

We, the class of nineteen hundred fifty-one  
dedicate this nineteenth edition of the  
"Stepping Stone" to

**MR. JOSEPH NEWELL**

In recognition of his dependability and untiring effort as an outstanding leader in our sports curriculum, we are truly justified in saying he filled his shoes of responsibility well with his athletic feats.

Getting out this yearbook is no picnic.  
If we print jokes, people say we're silly;  
If we don't, people say we are serious.  
If we clip from other books,  
We are too lazy to write it ourselves;  
If we don't, we are stuck on our own stuff.  
If we stick to the job all day,  
We ought to be out hunting pictures;  
If we do get out and hustle,  
We ought to be putting first things first.  
If we don't print contributions,  
We don't appreciate true genius;  
If we do, the book is filled with junk.  
If we make a change in a fellow's write-up,  
We are too critical;  
If we don't, we are asleep.  
Now, like as not someone will say  
We swiped this from some other book . . .  
WE DID I

## *Board of Education*

We, the class of 1951, wish to add our thanks to the many privileges and favors granted to us by the Board of Education. Although many of us have never seen these men in person we can feel their presence through the activities of the school. Little do we realize that almost all our extra-curricular work comes to us through the generosity of the School Board. When five men are as interested in our school life as these men are we feel confident that our future has been adequately prepared for.

By Joy W.

**MR. MELVIN B. LUBBERS**

One pair of shoes that probably wear out the quickest in Z.H.S. belong to our Superintendent, M. B. Lubbers. Trying to follow in his footsteps is almost impossible. For four years we Seniors have been following his friendly advice and sincere leadership. Little did we realize how fast and furious a pace he had to maintain to keep us happy and contented. Thanks for all your help, Mr. Lubbers.

*M. B. Lubbers*

**MR. HILMER C. DICKMAN**

Each pair of feet that have beaten a path through Mr. Dickman's doorway have left with the knowledge of a few more phrases of his philosophy of life. In discussing one's personal problem, he leaves each student at ease and in the presence of a friend. The class of 1951 will always recall with fondest memories his helpfulness and cheerfulness in spite of our many misgivings.

## Bus Drivers

Providing transportation for a large share of the students of Zeeland High School, our bus drivers daily carry them to and from school. Through rain, snow, sleet, or hail, they keep our five buses merrily rolling along.

To the janitors of Zeeland High School we give a hearty thanks for keeping our school a clean place. They are always willing to put aside their work to assist us in any way.

## CLASS HISTORY

It was a bright fall day on the third of September, 1948, that one hundred and nine unacquainted pair of feet beat their way into the freshly-painted corridors of Zeeland High School. The new Freshmen prospered that year under the able leadership of Mary Dickman as president of the class and the co-sponsors, Miss Baer and Mrs. Janssen.

The class of '51 donned their Sophomore shoes with much enthusiasm. With Miss Vander Beck and Mrs. Wildman as co-sponsors and Barry Van Koevering as president, the Sophomore class was highly acclaimed.

Under the capable leadership of President Jack Kole with the assistance of co-sponsors Miss Vander Beck and Mr. Ter Avest, the Junior class gave one of the best banquets ever to be remembered by Zeeland High. The Junior class play, "Out On A Limb," will go down in the Hall of Fame in Z.H.S.

The Senior year was one to be remembered. Although the class dwindled from 109 to 83 members, it still maintained its enthusiasm. This year the class was under the leadership of President Hilbert Beyer and co-sponsors Mrs. Den Herder and Mr. Ter Avest. The Senior play, "Mother Is A Freshman," was one of the best. With Shirley Walters reigning as Queen, the football team went on to another undefeated season. During the year, the Seniors looked forward to the coming boat trip and commencement exercises. With their high school career drawing to a close, the Senior class of 1951 can look back on four wonderful years in Zeeland High School. During our stay in Zeeland High, our feet have been directed in their paths, but now they will be scattered to the far corners of the earth. We hold high the hope that these 83 pair of feet will again meet on the sands of time.

The class which will fill the shoes of the seniors next year has proved its worth. Their three-act comedy "Almost Summer" was a smash hit. Their receipts for the magazine drive were among the highest on record. The Junior-Senior Banquet was a great success. They also sponsored a pep meeting. But all work and no play makes the Junior class a dull class. On January 11 they held a box social in the gym. There was great excitement when the class rings arrived. All this was accomplished under the guiding hands of Roger Snow, president, and Mr. Courier and Miss Whitnell, sponsors. Good luck, Juniors!! The shoes which you must fill are pretty big, but you've got all it takes to fill them.

LEFT TO RIGHT: Dell Komejan, Ed Elzinga, Betty Boeve, Judy Whitsitt, Erma Van Dyke, Mary Wyngarden.

One hundred and ten strong, the Sophomores appeared at the beginning of the year to do their worst to the Freshmen. For a joyous three days they reduced the Freshmen to the status of slaves and climaxed it all at a successful all school party. After cleaning up and resting from that party the Sophomores went on to other class activities. Their first class party was a hay ride followed by refreshments at the Youth Center and the second party was a square dance in the gym. But the Sophs didn't spend all their time at play. They presented a short snappy pep meeting which took second prize in the PM Brotherhood contest and have made a place for themselves as valuable members of the student body. President of the class is Delwyn Komejan and the sponsors are Miss De Jonge and Mr. Overway.

# Freshmen

LEFT TO RIGHT: Sally Baane, Gary Ter Haar, Donna Hardenberg, Nancy Van Kaevering, Mary Zwyghuizen.

One day ahead of the other high school students, the Freshmen appeared in the hallowed halls of Zeeland High School. No sooner had they become orientated as high school students than they were placed at the mercy of the Sophomores. For three days they were forced to wear their clothes inside along with other indignities in addition to being the slaves of all other students. All the Freshmen survived, however, and became full fledged members of the student body at the all-school party. On December 21 they held their first class party. They held a rip roaring hay ride followed by movies and refreshments in the gym. The class is sponsored by Miss Van Dam and Mr. Bouma and Sally Boone is the president.

## Student Council

BACK ROW: Ed Elzinga, Del Komejan, Hilbert Beyer, Jim Tanis, Roger Snow, Frank Swift.

SECOND ROW: Sally Boone, Eleanor De Kleine, Irma Derkx.

FIRST ROW: Gary Ter Haar, Mr. Dickman, Junior Heyboer, Joan Pyle, Jack Kole, Nancy Winkels, Mary Zwyghuizen, Mary Wyngarden.

This year for the first time, under Zeeland High School's new constitution, the Student Council was composed of sixteen members. Besides the officers, which are elected separately, the Student Council is composed of a boy and girl chosen from each class and the president of each class. Unlike any other organization, the membership is determined by the entire student body.

The purpose of the Student Council is to act as a representative of the student body. It was organized to consider the problems of the students, and to make high school life more educational and enjoyable. To do this the Student Council has provided many activities.

### OFFICERS

JACK KOLE	President
JOAN PYLE	Vice-President
NANCY WINKELS	Secretary
JUNIOR HEYBOER	Treasurer
MR. DICKMAN, MISS VER HAGE & MR. OVERWAY	Sponsors

### STUDENT GOVERNMENT

This year, after a great deal of planning and work, student government was introduced to the student body. This government consisted of two main parts: the police force and the court. The police force makes all warnings and arrests while the five members of the court hear all cases and pass out sentences. After a great deal of controversy an amendment to the Constitution was passed stating that the police force would be restricted to the school grounds. There are still several problems which have to be ironed out, but it is sincerely hoped that this important step will succeed.

SECOND ROW: Allen Kraai, Roger Hoeve, Nelson De Jonge, Robert Hamstra, Norwin Brower, Earl Heasley, Melvin Briesback, Bernd Balder.

Hidden down under the Junior High Building, you will find the latest addition to the curriculum. Of course, the lovers of the soil who attend these classes find it very convenient to go to their room by way of Ed's but that is all part of being in the Ag classes. Learning how to milk a cow, how to steer a horse, and how to tell a chicken from a "Chick" is what they really learn. But in addition to the book and field trips the Agriculture Club had lots of fun. After raising money by selling Christmas trees, the club sponsored a three day Chick and Egg show. Choosing a Queen and her court was one of the many highlights of the event.

Yet, this is what we are attempting today. In the form of our young student government, we have a new baby on our hands, and beginning to have growing pains, being impatient, aren't we? But he should have these, but we have the finished product immediately. Consequently, we want to think about the system, kit and kaboo. Obviously, this isn't the coming to do under the circumstances, for we must help the youngster by bringing out the strengths, and by substituting for the undesirable.

Yes, this thing called Student government has hardly had a chance to settle in the school;

## PEEPER STAFF

"All Peeper news must be in by tomorrow." That is the greeting sent out by Editor Ward Ver Hage to all the Peeper writers via the announcements. Thus the Peeper begins its journey from school to the printer. When the news is handed in, it is checked for errors by the editor, assistant editor, and the sponsor. The dummy copy is set up. This is a rough copy of what the Peeper will look like. The dummy goes to printer Dwight Weygarden and soon the printed Peeper is distributed to the students. The editorial and business departments are always working to make the bi-weekly publication bigger and better every issue. The staff is headed by Editor Ward Ver Hage and Assistant Editor Alyce De Pree and is under the sponsorship of Miss Ver Hage.

Every high school journalist covets the honor of becoming a member of the Quill and Scroll. Entrance requirements of this national organization are such that the journalistic work has to be outstanding in order for the writer to be eligible for membership. The organization helps make better school papers and annuals by sending papers and magazines containing information about all kinds of journalism. The members are presented with a pin on honor day.

Each year five per cent of the Junior class and ten per cent of the Senior class receive the honor of being elected to the National Honor Society. These people have to be in the upper third of their class to be eligible for membership and are selected by the faculty on the basis of leadership, scholarship, character, and service. The society offers several scholarships which are awarded on the basis of an examination. These examinations were given in this high school for the first time this year. The Zeeland chapter of this national organization was founded in 1927. It is under the sponsorship of Mr. Dickman.

The Junior Y-Teens, composed of freshmen and sophomores, and The Senior Y-Teens, composed of juniors and seniors, have the same aim—to face life squarely and to find and give the best. Both clubs hold meetings once a month. The Junior Y-Teens, under the leadership of Mrs. Den Herder, sponsor, have held a candy sale and have enjoyed Thanksgiving and Christmas programs, and a square dance. The Senior Y-Teens held a joint meeting with the Hi-Y, and a Christmas party at which they packed a box for a needy family. They are under the sponsorship of Mrs. Saunders.

The Senior Hi-Y, whose purpose is "To create, maintain, and extend throughout the school and community, high standards of Christian character," is made up of Juniors and Seniors. Our Hi-Y is affiliated with the Michigan State Y.M.C.A.

Last summer three delegates, Gerry Kiekover, Jay Timmer, and Roger Winkels were chosen to attend Camp Hayo-Went-Ha at Torch Lake. Other activities were: sponsoring drive for clothes and games which were sent to a small school in Virginia, our annual Penny Carnival, and a joint party with the Senior Y-Teens.

So ended a successful year under the leadership of Mr. Lokers.

The aim of the Junior Hi-Y is "to create, maintain, and extend throughout the school and community, high standards of Christian character." This organization is a division of the Y.M.C.A. and its motto is: "clean living, clean speech, clean sports, and good scholarship.

Although this organization is still young, this being its second year, it has come a long way under the direction of Mr. Overway.

### ATHLETIC SISTERS

The Athletic Sisters consist of twenty-four ambitious girls who keep the fans well-fed at all home football and basketball games. Few people realize the hard work put in by the girls who usually miss at least one-half of all home games while they are selling hot dogs, paddle pops, candy bars and coffee. The proceeds are used to keep the teams well, uniformed and equipped. The main events of the year are the annual Christmas party and the parties given for the teams. This year two male members were added to the group to drive the truck and bring food. They are Roger Winkels and Vernon Machiele. The club is under the sponsorship of Mrs. Fleser.

This year, as always, the loyal order of P. M. Brothers was in charge of scheduling and presenting pep meetings for football and basketball games. Each of the clubs and organizations of the school was assigned a date to present a pep meeting. For basketball pepmeets the Brotherhood sponsored a contest, and awarded prizes to the organizations which presented the three best programs. A movie was presented to raise the prize money.

The P. M. Brotherhod's sole purpose is to schedule and promote better pep meetings, and it has no officers. Its membership is made up of five Junior and five Senior boys.

"Chattanooga, Chattanooga. Now let's yell!" Every football and basketball game finds our hardworking cheerleaders helping our teams to victory. This year the cheerleaders have been split into two teams. One team, composed of Sandra Raak, Sally Boone, Marcia Nagelkirk and Bill De Jonge, leads the cheers for the reserves. The other team, composed of Shirley Walters, Oakley Van Dorple, Ruth Post, and Betty Boeve, cheers for the varsity. They do an excellent job of convincing the spectators they must take an active part in the games. This year four of the cheerleaders went to a cheerleading clinic at the University of Michigan. They also took part in the football game at the University of Michigan.

They then joined the two vocal groups to present Thanksgiving and Christmas programs. The Tri-City concerts with Paw Paw and Kalamazoo State High School Bands were great events for the Band. The 14-piece band played several numbers in our gym in February and the two day sessions were repeated in the other cities in March and April.

Six soloists and five ensembles attended the Festival of Holland. The soloists and ensembles from the Band performed a "Feature Night" in the high school gym. Following a spring concert the Band participated in marching and playing for the annual Band Review during Tulip Time in Holland. Under the leadership of Mr. Tover, director, and Alyce DePree, president, our band has had another very successful season.

Zeeland's music department now has everything. The music program was completed with the addition of the orchestra. Eighty per cent of the members are beginners who once played the piano. The orchestra members, who have organized since the beginning of the second semester, have carried their lunch to school once a week so they could meet at noon. Two string classes each meet twice a week. The thirty-five members have progressed from training literature to basic orchestra literature in the short time available. Mr. Tower hopes to make the orchestra a permanent fixture in the music department with training starting down in the grades.

Interscholastic contests in speech are conducted for the purpose of developing competence in speech. Zeeland High School has maintained a long tradition in entering such contests and have made known their superiority in many instances.

This year again contests were held in Declamations and Dramatic Readings. The Freshmen and Sophomore English classes make it a part of their required work to give either of the two.

The following entered the local contest in Declamations: Delwyn Komejan, Mary Jane Wyngarden, Yvonne Nyenhuis, Judy Ver Plank, Clyde Morren, Vera Brouwer, Connie Miller, Jean Nieuwkoop, Shirley Dams, and Ronald Knoper. The winners were Judy Ver Plank and Delwyn Komejan. Entries in dramatic reading were two: Eunice Lemson and Joyce Wharton. All four winners in the local contest will represent Zeeland at the district contest to be held in April. The winners here go to a regional meeting held later in May.

Congratulations to Judy, Del, Eunice, and Joyce for carrying on the traditions of Z.H.S. in forensic contests.

Angel, come into my arms! His fellow students unanimously agree.

Caught in the act. The Dean and Susan are astonished at the brashness of the professor.

Under the guidance of Coach Joe Newell, the Zeeland Chix again had a smooth-working grid machine by going through the eight-game schedule undefeated and untied. On September 15, the Chix opened the season against a determined Grandville eleven. The Chix won 7-0 on Ray Wagner's 75-yard runback of an intercepted pass. In the second game of the season, the Chix beat out a strong Bangor team 34-14 for their first league victory. The next victim for the Chix were the Lee High Rebels whom they beat soundly, 20-7. The Otsego game was played before a large homecoming crowd. The game was marred by roughness but the Chix made the homecoming a success by beating, 13-0.

## Basketball Reserves

From these little "chicks" big roosters are developed. Watch these names develop into another chapter of basketball history in Zeeland High School.

The Chix Reserves, under the guidance of Coach Bouma, ended a very successful basketball season, winning eleven games while dropping only four.

Although they received no trophy, they were the winner of the Tri-County Championship.

## Baseball

When the umpire shouts "Play Ball!" this season, Coach Hoover will find out for the first time what his team can do. The team, riddled by graduation, is mostly a green one, but the players are eager and look forward to a good season.

## Track

Sunshine and warm weather again brings to life the outdoor sports. Coach Newell's track team looks like a good contender in the regular season meets, with a team built around a nucleus of ten returning lettermen.

## Cross Country

In its second year of Cross-Country competition, Zeeland High School enjoyed one of its more unsuccessful seasons. The Cross-Country team competed in six meets, winning one while losing five.

"Toss me a roll." This phrase and many like it echoed from the tables of the Home Ec. room every time the Z-Club had a party. This only went to prove that the varsity letter winners still had a lot of pep and spirit left.

However, the members did bestow it upon themselves to calm down on at least one occasion during the course of the year. This momentous event took place on December 1, and was in the form of a semi-formal Christmas party, now an annual event for the Varsity Club. For this festive event, the fellows laid aside their "levis" and sweatshirts and replaced them with dress suits.

Another big social event in the club's long list of enjoyable activities was the initiation party on January 30. Twenty-six new members were admitted to the Z-Club and although they were pushed around the entire day, they still managed to have a "shocking" good time.

As the annual goes to press the team already has matches with Allegan, Otsego, Holland Christian, and Coopersville.

Harris: Did you hear of the explosion on De Kleine's farm.

Junior: Yes, he feeds his chickens "Lay or Bust" and one of them must have been a rooster.

They laughed when they saw his white duck pants had shrunk, but when he sat down they split.

Minister: "Would you like to join me in a missionary movement?"

Sweet young thing: "I'm crazy to try it. Is it anything like the Rhumba?"

Paul H.: Do girls like conceited men better than the other kind?

Pearly V.: What other kind?

Alyce D.P.: All extremely bright men are conceited.

Barry V.K.: Oh, I don't know. I'm not.

Duke H.: We're coming to the Tunnel of Love. Are you afraid?

Wanda W.: Not if you take that cigar out of your mouth!

## DEE ALLEN'S THEME SONG

Here's to the love that lies

In women's eyes . . .

and lies and lies and lies . . .

Elaine V.W.: I'd like some lipstick.

Clerk: What size, please?

Elaine V.W.: Three rides and a house party.

Ray: Are you fond of nuts?

Edna: Is this a proposal?

"Here's where I cut a good figure," said Tootie, as she sat on a broken bottle.

Barb B.: Can you drive with one hand?

Randy B.: Sure!

Barb B.: Okay, have an apple.

Don B.: I got a real kick out of kissing Alice last night.

Friend: Any more than usual?

Don B.: Yes, her dad caught me.

Mary De Witt: How is it that you can kiss so divinely?

Vern Machiele: I used to blow a bugle in the Boy Scouts.

Wimp: Did anyone ever tell you how wonderful you are?

Sandy: No, I don't believe they did.

Wimp: Then where did you ever get the idea?

Young Man: Hello, Thelma, want a ride?

Thelma Z.: No thanks, I'm just walking back from one now.

October 13, 1950, marked one of the biggest events of the year. By popular vote, Shirley Walters was elected Football Queen of 1950. Mary DeWitt, Dorothy Wyngarden, Edna Bok, and Marcia Knapp were the members of her court.

The festivities began on Thursday night with a snake dance, a huge bonfire, and a pep rally at the Athletic Field.

Climaxing the Homecoming was the crowning of Queen Shirley by Jack Kole, President of the Student Council. After the crowning, the Chix defeated the Otsego football team 13-0.

Ending the gala night, the Alumni of Zeeland High gathered in the gym for a Koffee Kletz.

You ought to be ashamed of yourself for loafing like you do. "Gee whiz, Mr. Dickman, I'm not really lazy, it's just that I have a constant, gnawing fear of getting tired."

Woody: If I threw a kiss across the room, would you consider me bold?

Shirley: No, just lazy.

Mabel De Jonge to class: "Keep your eyes on your books now. I'm going to skip around the class."

The reason that there are more auto wrecks than train wrecks is simple—the engineer never has occasion to hug the fireman.

Two quarter-wits were arguing. "You're a perfect dope!" said one. Glen S.: Quit your kidding. None of us is perfect.

No, Mr. Lampen, I'm just soaking up a prune to eat between classes.

Pete De Pree says "scrophobia" is a fear of height. This is what you become a victim of when some guy about six-feet-two looks down at you and says, "Who do you think you're shovin'?"
